

## *Salmonberry Days Featured Events at DPL, 4515 Dunbar Stories, Games & Salmonberries*

Celebrate Salmonberry Days at the Dunbar Branch Library throughout May, with free events, activities and contests. As usual, we'll have displays and "Berry Good Reads." You can also pick up copies of our "Salmonberry Walks" brochures, which explore the history and architecture of Dunbar. And something special: we'll be launching our new Seed Library on Tuesday, May 2.

### ***Terry Slack Tribute***

A glance at this year's calendar will show a name that is repeated for many events. Terry Slack is our neighbourhood historian, raconteur and tour guide. Whether it is a walk along the river, a bus tour to surrounding communities, or just a chat over a cup of coffee, Terry shows his love for people and places in Dunbar/Southlands.

Helen Spiegelman and Terry met walking their dogs in Pacific Spirit Park 20 years ago, and the Salmonberry Days Festival they helped create remains Vancouver's unique month long celebration of nature and community.
