MUSIC ON THE FARM

May 22nd Family Day at Southlands Heritage Farm

Enjoy an afternoon on a working farm in Southlands. There will be a spring market, music, pony rides, a Southlands-wide scavenger hunt, pizza made in a cob oven, and more. Meet the bees, pigs, goats, chickens and ducks on a guided tour of the farm. The fun starts at 11 a.m. until 3 p.m.

SALMONBERRY DAYS is Dunbar's unique, month-long neighbourhood environment festival. It is organized each year by volunteers. Let these family-friendly events become part of your kids' memories of their childhood.

Theme: Anniversaries

Each year Dunbar Salmonberry Days has a theme for the festival that fills May with walks, talks and events. Canada is one hundred and fifty years old on July 1st. Just over one hundred years ago a single track streetcar line helped develop the Dunbar neighbourhood with housing and businesses. Sixty years ago the Dunbar Community Centre was still a construction site, and would open within a year. Fifty years ago some of us recall a visit to Expo '67; an anniversary also shared by Metro Parks. The Dunbar Residents' Association has served us for twenty-five years, and Salmonberry Days celebrates its 20th anniversary. Ten years ago saw the publication of our history, "The Story of Dunbar, Voices of a Vancouver Neighbourhood", edited by Peggy Schofield.

On Saturday, May 13th, the Salmonberry Days original team of Terry Slack and Helen Spiegelman will lead a twenty year anniversary walk. Please check the calendar inside for details.
